

## **SILENT KNIGHT**

### **CHRISTMAS 2010**

**Blessings Silent Knights,**

**I pray all of our Silent Knights have a Merry Christmas and look forward to a year of peace, prosperity, and service to those less fortunate. Mo and I thank you for the many kind wishes and prayers we have received this blessed season. Members of chivalric orders, Knights of Columbus, service members, civilians, and clergy are among our silent ranks. God Bless You All!**

**We are currently writing you from Tbilisi, Republic of Georgia where I am working in my professional role and Mo is visiting for the holidays. You will be interested to know that the Georgians have a Silent Knight effort in its early stages along with the Georgian Templars here. Georgia is a Christian country that embraces the faith with all its heart. It is very common to see men and women stopping and making the sign of the cross as they walk past churches here. The churches are well attended and the religious history is amazing. The Apostles Andrew and Mathew brought the teachings of Christ to the area and St. Nino is credited with establishing the Christian religion in Georgia.**

**If you know the history of this region, the suffering and wars that have been fought here over the centuries, I believe it has brought and kept the people of Georgia focused on Christ the Savior and spiritual hope. It is amazing to see how close people draw to God when they are suffering and how far they stray when they are prosperous. There is a lesson in this. We must remain strong in our faith and our service to God in good and hard times. Please make a new year resolution to increase your personal prayer time and Spiritual relationship.**

**Silent Knights continue to serve others and our ranks continue to expand. The emails and contacts I have with many of you give us much encouragement. We continue to provide Silent Knight cards and lapel pins to our dedicated men and women around the earth.**

**Blessings to all of you in this Holy Season and in the new year. Continue in your efforts to mentor, care for, and give to those in your communities or wherever you can make a difference.**

**“Not unto us, O’Lord, not unto us, but to Thy Name give glory”**

**Craig and Mo**
